## **NOTE TO EDITORS: “Girl Scout Aerospace Merit Badge Program”**

Over 100 Junior Girl Scouts from across Delmarva will be participating in activities to complete the requirements for the Aerospace Merit Badge at the NASA Visitor Center on Saturday, November 9. Activities will include paper airplane construction, kite building, a model rocket launch, and more! The program will begin at 10 a.m. and will last until 4 p.m.

The NASA Visitor Center is located on Route 175 about six miles from Route 13 and five miles from Chincoteague, VA. Media wishing to cover the day's events should call Deanna Shreves on (757) 824-1148.
